SENATOR SAVAGE: There are no other lights on the board.
Senator Marvel do you wish to close?

SENATOR MARVEL: I renew my motion to advance the bill Mr.
President.

SENATOR SAVAGE: Motion is to advance LB682 to E & R Initial.
Record your vote. Record.

CLERK: 35 ayes, 1 nay and 13 not voting.

SENATOR SAVAGE: Senator Lewis, is voting aye, is that right
Senator Lewis. He pushed the wrong button he says, so what-
ever you want to do.

SENATOR MARVEL: Mr. President. The Speaker, did we advance
that bill?

SENATOR SAVAGE: Yes, we advanced it. The Speaker says that
we have time for one more and that is 683.

CLERK: Read 683.

SENATOR MARVEL: I move that 683 be advanced to E & R Initial.
This is your salary...salaries for this present year. It

debate on this. I renew the motion to advance the bill.

SENATOR SAVAGE: Is that your opening then Senator Marvel?

SENATOR MARVEL: Yes sir. That is my opening and closing.

SENATOR SAVAGE: The question is shall LB683 be advanced to
E & R Initial. Record your votes. Have you all voted? Record.

CLERK: 32 ayes, no nays, Mr. President.

CLERK: Read LR115.

SENATOR MARVEL: The Committee amendments are on page 668.
I move that the committee amendments to LR115 as found on
page 668 and 669 be adopted. Now, what the amendment does,

itional money to construct the student union on the east campus

amendment on 668 and 669 adds an additional \$317,000 to the
safety improvements. The first thing that we have to do is
